

## HEATING, VENTILATION, AIR-CONDITIONING & REFRIGERATION (HVAC/R)

### ADVANCED DIPLOMA OF ENGINEERING MEM60122 (State Code: BIW5)

HVAC&R is the technologies that keep our food fresh, keep us comfortable and productive. In Australia, this industry accounts for more than 11% of the CO2 emissions, use >24% of electricity, worth more than \$38 Billion dollars.

South Metropolitan TAFE offers the following courses:

- Diploma of Engineering – Technical
- **Advanced Diploma of Engineering** (The Advanced Diploma is an AQTF level 6 qualification – equivalent to an Associate Degree)

SM TAFE's nationally accredited training includes:

- Advanced Mathematics and Numerical Methods
- Building Thermal Performance Survey
- Thermal Loads Evaluation
- HVAC/R Engineering Design Drafting
- HVAC/R Projects
- Sustainability
- Computer-Aided Engineering (CAE)
- Organizing and Communicating Information
